What to Expect

The LCKC summer camp is a great way to introduce the sport of canoe and kayak to kids aged 7-14. Our staff will provide knowledge and teach the skills necessary to paddle both canoes and kayaks! Each camper will spend an average of 4 hours on the water each day.

Recreational activities such as swimming, crafts, and "Barge day" make this camp both exciting and memorable for the campers.

We are thrilled to have Diane Duffy returning as our 2011 Camp Director. Diane is a Health and Physical Education teacher at New Holland Elementary in the Gainesville City School System. She has Bachelors and Masters Degrees in Health and Physical education, ESOL endorsement, WSI Instructor, American Heart Association CPR Instructor and current Certification in CPR and First Aid.

We have an energetic, enthusiastic staff of Junior and Assistant Counselors who ensure that everyone has FUN in a safe environment.

Day Camper learning kayaking skills on sunny Lake Lanier!
